**Application of Aero Continente Chile, S.A. for a statement of authorization to display Aero Continente, S.A.'s (Peru) code on Aero Continente Chile's Santiago-Lima-Miami flights
filed January 12, 2001**

(Docket OST-2001-8688)

The code-share operations authorized here are subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) Aero Continente Chile, S.A. and Aero Continente, S.A. (Peru) continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.
- (b) Aero Continente Chile, S.A. and/or Aero Continente, S.A. (Peru) must promptly notify the Department (Office of International Aviation) if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating any or all of the approved code-share services.¹
- (c) The code-sharing operations conducted under this authority must comply with 14 CFR Part 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.*, the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected.
- (d) The authority granted here is specifically conditioned so that neither carrier shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

¹ We expect this notification to be received within 10 days of such non-effectiveness or of such decision.
